2. Seminar on Teenage Management

Women Development Cell Organized a seminar-Teenage Management on 6th October,2022 in the Seminar Hall at 2pm.

Mr.Anshad Kolathur was Resource Person.The teenage years, spanning roughly from ages 13 to 19, constitute a critical period of physical, emotional, and psychological development. Effective management during this phase is essential for fostering healthy growth and preparing teenagers for adulthood.In conclusion, effective teenage management necessitates a comprehensive approach that acknowledges the multifaceted nature of adolescent development. By understanding their challenges and employing supportive strategies, we can empower teenagers to thrive during this transformative phase of their lives. Ongoing collaboration among stakeholders is crucial in promoting positive outcomes and preparing teenagers for a successful transition into adulthood. On the whole the session was a fruitful one.

5. A Webinar “Women and Social Media”

Women Development Cell (WDC) of Jamia Nadwiyya Edavanna conducted a webinar on 3 January 2023, titled as "Women and Social Media," Dr. Swapna C. Kombath, Assistant Professor and Head of the Department of Malayalam at Sahrdaya College of Advanced Studies, Kodakara, as the resource person. The session focused on the impact of social media on women's lives, examining both the opportunities and challenges it presents. Dr. Swapna C. Kombath provided a comprehensive analysis of how social media can be a powerful tool for women's empowerment, enabling them to voice their opinions, connect with wider communities, and access diverse resources. She also addressed the potential risks, such as cyberbullying and privacy concerns, offering strategies for safe and effective social media use. This webinar underscores the WDC's commitment to addressing contemporary issues affecting women and equipping them with the knowledge to navigate the digital age confidently.
