INTRODUCTION

Complete inclusiveness of individuals is one of the primary goals that Jamia Nadwiyya Arts & Science College strives for through a holistic educational approach. A specialized cell operates on campus in accordance with the XI plan guidelines of the University Grants Commission for the OBC community, working towards the upliftment and grievance redressal of this community. The scope of its operations includes conducting awareness sessions and addressing grievances to enhance opportunities for students by developing them into capable and talented individuals, ready to compete in the competitive world of tomorrow.

OBJECTIVES

- To ensure there is no caste-based discrimination in our college.
- To redress the grievances of OBC students.
- To enhance the employability of OBC students.
- To ensure equal opportunity in all spheres.

KEY RESPONSIBILITIES

- Managing all affairs related to OBC students.
- Informing OBC students about various scholarship programs from the State Government and UGC to motivate them for better future planning.
- Implementing follow-up measures to achieve the objectives and targets set by the Government of India and the UGC.

ACTIVITIES

- Orientation programs are organized to inform students about governmental and non-governmental scholarships.
- Students are encouraged to join skill development programs as soon as possible.
- The SSP provides academic and motivational support.
- Remedial coaching is offered by departments, along with personal counseling.
- A bridge course is provided to new students.
